

Capping Strip

Provides vinyl flooring with a professional finish

- Capping Strip offers a sealed finish around a room when the vinyl flooring extends up the wall.
- Available in 5 different colours to suit various floor finishes.
- Made from PVC it can be moulded and shaped as required.
- PVC won't chip, crack, cup, or bow, and it won't rot or be prone to insect infestation. Thus the ideal option for areas where hygiene is important.
- PVC doesn't absorb moisture, it's an excellent choice for use in humid areas.
- Capping strip can be used in conjunction with a Cove fillet to provide a professional finish and easy maintenance solution to vinyl flooring in moisture sensitive areas.
