

Superdry Contract Edge

Create a safer, more professional finish with bevelled edging designed to reduce trips and define mat areas

- Heavy-duty entrance matting supplied in roll format for large commercial entrances
- Bevelled edges provide a smooth transition from floor to mat
- Helps reduce trip hazards in busy entrance areas
- Creates a clean, finished look for loose lay installations
- Improves edge visibility to support safer pedestrian movement
- Ideal for use in high footfall commercial environments
- Compatible with SUPERDRY CONTRACT matting
- Simple to install for a complete, professional entrance solution

Parts

Part Number	Size	Colour	Weight (kg)
P300C	Factory fitted option	Black	0.1402
P300	30 m x 50 mm x 6.5 mm	Black	0.1402

Technical Specifications

Material	Recycled PET with PVC backing
Recycled Material Content %	Top surface manufactured from recycled PET bottles
Backing	PVC
